**Dunne's Payment Policies, also stated on the 'Online Agreements for Web Registration, 'All Class Families:** I agree to be responsible for payment of tuition for all classes reserved for the enrollee for the ENTIRE session enrolled (The Fall Session is September-December, Winter Session is January-March, the Spring Session is April-June, and the Summer Session is July-August.) by making monthly installment payments on the first of each month with the credit or debit card placed on file unless payment is made by cash or check 3-5 business days prior to the first of the month. I understand that my child is automatically enrolled into later sessions (winter and spring) unless I notify the office in writing 2 weeks in advance of the start of the session. The 2-week drop-policy has to do with dropping for the next session; not the month. If paying by cash or check, payments are due 3-5 business days before the first of each month; otherwise, the credit or debit card on file will be charged automatically for the total of the account balance on the first of the month. Late payments not paid by the 15th of the month are subject to a \$20 late fee. A registration fee of \$40 per student, or \$80 per family is due upon registration, payment preferred by check or cash. If left unpaid by the first of the month, the credit or debit card on file will be automatically charged for any accrued amount. I understand that there are no refunds of registration fees or tuition paid. In addition, any check returned to the school unpaid by my bank will be subject to a \$30 service charge.
